

# MOREY'S® POWER STEERING OIL CONDITIONER

**MOREY'S POWER STEERING OIL CONDITIONER** cushion seals all parts of your power steering unit for quiet, smooth operation with less oil leaks. Preventing gums, corrosion, acid and sludge. Reducing foaming, heating, squealing, jerking, hesitation, roughness and seal leakage. Keeps new pumps like new longer – keeps old pumps alive.

## Properties

Chemical Family	Petroleum
C.A.S. No.	Mixture
Specific gravity	0.8944
Viscosity (KIN Cst) @ 40 ° C	2018
Viscosity (KIN Cst) @ 100 ° C	148-180
Viscosity index	193
Flash point (COC) ° C	>200
Boiling range ° C	>300
Pour point ° C	-15
Sulphated ash % Wt	0.71
Saponification value mg KOH/gm	4.00
Vapour density:	Heavier than Air
Evaporation rate:	Less than Ether
Solv Ref Petr Base Stock	
Percent per Volume	<60
% Volatile By Volume	Nil
TLV/PEL mg/m <sup>3</sup>	5
Colour	3
Appearance:	Bright & Clear

Not recommended for equipment using silver bearings.
